

WORKFROMGREECE.GR

Your DIGITAL NOMAD VISA CHECKLIST

Required Documents

□ Declaration Letter

A declaration stating the applicant’s intention to stay in the country with the national entry visa for the provision of distance work and their commitment that they will not in any way provide employment or independent services to an employer based in Greece.

□ Proof of Employment, which could be provided by:

- an open-ended contract of employment or independent services or proof of employment with an employer, natural or legal person, who is established outside Greece, or in case of a fixed-term contract, with a remaining duration covering the period of the granted national visa

or

- an open-ended contract of employment or independent services or, in the case of a fixed-term employment contract, with a remaining duration covering the period of validity of the granted visa, in case the third-country national is self-employed with more than one employer established outside Greece

or

- information on the status of the applicant in the company, as well as information on the trade name, registered office, field of activity, and corporate purpose of the company in case the third-country national is self-employed in his own company, which is outside the Greek Territory

□ Proof of Sufficient Funds

Evidence that the applicant has sufficient resources at a stable income level to cover their living expenses during their stay in the country, without burdening the national social welfare system. The amount of sufficient resources is set at three and a half thousand (3.500) EUR per month and is proved i) by the contract of employment or independent services or employment certificate, in the case of employment or independent services or ii) by a bank account statement.

If sufficient resources come from employment or independent services, the above minimum amount refers to net income after payment of the required taxes in the country of employment. The above amount is increased by twenty percent (20%) for the spouse or partner and by fifteen percent (15%) for each child.

□ The Greece Digital Nomad Visa Fee

VISA FEE: EUR 75 + ADMINISTRATIVE FEE EUR 150
(Same for each family member)

□ Proof of Accommodation - Digital Nomad Residence Permit ONLY

In the case of applying for a Digital Nomad Residence Permit, the applicant is required to also submit a residence lease or a contract for the purchase of real estate in Greece.

General Supporting Documents

- ☐ **A fully completed and signed application form** for a long-stay national visa, accompanied by a recent, colour photograph of the applicant, which shall comply with the relevant ICAO-defined specifications. The application form is available [here](#). [ICAO-defined specifications](#)
- ☐ **Passport or other travel document recognized by the competent Greek authorities** which meets the following criteria: (a) it shall be valid for at least three months from the date of intended departure from the territory of the Member States of the Schengen enhanced cooperation, or, in the case of more visits, after the last scheduled date of departure from the territory of the Member States, however, in justified cases of urgency, this obligation may be waived; (b) it shall contain at least two blank pages, (c) it has been issued within the previous decade.
- ☐ **A certificate of criminal record from the foreign authorities** certifying the applicant’s criminal record in their country of residence.
- ☐ **A medical certificate from a recognized state or private body**, showing that the applicant does not suffer from a disease capable of posing a risk to public health in accordance with the international data of the World Health Organization (WHO) and the EU acquis, as well as other infectious, contagious or parasitic diseases, which require measures to protect public health (more information on infectious diseases can be found on the website of the Hellenic National Public Health Organization - EODY).
- ☐ **Travel insurance**, with a period of validity equal to the visa issued, as a minimum, which covers the costs that may arise in the event of repatriation for medical reasons, for emergency medical care and/or emergency hospital care.
