

Checklist - Leje Unike për Punonjës Lëvizës Digjital

Albania Unique Permit / Digital Mover route pack - compiled from official MB/e-Albania/QBZ references.
Generated 10 Jun 2026.

1) Route constants

Field	Value	Route/parser note
Permit	Leje Unike	Use route key: leje_unike
Motive	Punonjës Lëvizës Digjital / Digital Mover	Accept variants: lëvizës digjital, lëvizës dixhital, digital mover
e-Albania service	Aplikim për Leje Unike - service code 15146	Online application; applicant uploads required docs
Legal basis	Ligji nr. 79/2021, neni 68; VKM nr. 858, datë 29.12.2021	QBZ search key: Vendim 858 29.12.2021
First validity	Up to 1 year for first issue	Some nationalities may have special validity rules
Employment approval	Not required for this category	Do not route through AKPA employment-approval branch
Visa branch	If visa is required: type D/LD	Route to MEFA visa evaluation before border/migration authority

2) Official checklist - documents to collect

General documents

- Valid travel document/passport copy, including pages with relevant travel notes, identity data, visa type D if applicable, and entry/exit stamps.
- Application form for the digital-mover unique permit: Annex no. 8 of VKM nr. 858/2021.
- Recent photo: 47 mm x 36 mm, white background, taken not earlier than 6 months before application.
- Proof of suitable accommodation in Albania.
- Service-fee payment evidence: first application 4,500 ALL; renewal 2,250 ALL. Check current e-Albania payment mandate before filing.

Additional documents for digital mover

- Documents required for temporary stay/residence, as applicable to the applicant's situation.
- Valid employment contract with an employer outside Albania, or service contract with a contractor/client outside Albania, proving remote work without a fixed physical workplace and work performable via information-technology tools.
- Financial proof: bank deposit certificate in a second-level Albanian bank of at least 300,000 ALL per person for 1 calendar year, or proof of monthly income of at least 32,000 ALL per person.
- Criminal-record certificate from the country of origin, showing whether the applicant has a criminal record.
- Health-insurance policy valid for at least 1 year.

Document formatting/legalization

- Documents from the country of origin or the country of lawful residence should be translated into Albanian.
- Foreign documents should be issued within the last 6 months, verified, and legalized/apostilled according to applicable international obligations.
- After approval, prepare originals and the signed e-Albania generated form for the post-approval submission route required by the migration office.

3) Strong-route insurance gate

Official MB wording for this category states that the health-insurance policy must be valid for at least 1 year. For a stronger route and fewer downstream false positives, enforce these additional product rules in your route engine:

- `min_coverage_eur >= 30000`
- `coverage_country` includes Albania, or certificate explicitly states valid in Albania / Republic of Albania
- `policy_validity_days >= 365` or valid through the full permit period if filing for a shorter/longer branch
- `AuthorizedInAlbaniaRule = true` when the insurer/certificate/assistance network is accepted for Albania; otherwise route to manual review instead of hard-pass
- Certificate should show applicant name, policy number, coverage amount, start/end dates, covered territory, and emergency medical/hospitalization/repatriation scope.

Note: The EUR 30,000 threshold is a route-hardening rule, not quoted as the baseline digital-mover requirement in the MB checklist extract. Keep it stricter than the official minimum unless counsel confirms otherwise.

4) Procedure checkpoints

- Apply online through e-Albania service 15146 and upload the listed documents in the required format.
- Review/issuance of the unique permit is generally handled within 4 to 12 weeks from application.
- If the applicant needs visa type D/LD, the visa request is evaluated by the Ministry for Europe and Foreign Affairs; the digital-mover category does not need employment approval.
- If the file is incomplete, the applicant may be notified to correct deficiencies within a stated deadline. Keep a resubmission route open.
- After approval, complete address registration, biometric-card payment, original-document submission, fingerprints/biometrics, and card pickup as instructed by the regional migration office.

5) Suggested route logic

```
if motive in {"levizes_digjital", "levizes_dixhital", "digital_mover"}:
  require(service_code == 15146)
  require(legal_basis.contains("VKM 858/2021"))
  require(passport.valid)
  require(remote_contract.employer_or_client_country != "AL")
  require(financial.deposit_all >= 300000 or financial.monthly_income_all >= 32000)
  require(criminal_record.present)
  require(health_insurance.validity_days >= 365)
  require(health_insurance.min_coverage_eur >= 30000) # route-hardening
  require(health_insurance.authorized_in_albania == True) # manual review if unknown
  skip(AKPA_employment_approval)
  if visa_required: route_to("D/LD_MEFA")
```
